

RAY ANTHONY  
STUNT CO-ORDINATOR –ACTION DIRECTOR  
PROFILE

Ray Anthony has successfully achieved one of the most expansive resumes in the film and entertainment industry spanning well over 25 years.

A career that started as a professional gymnast/martial artist and moved into stunt work, which then developed into a highly sought after stunt and action co-ordinator.

An overview of Ray's accumulated talent that has taken him on films and productions worldwide demonstrates a career of professional development in this industry.

Ray has worked throughout his career to maintain professional standard licenses and accreditations that make him a professional in these areas.

From stunt actor to safety co-ordinator and eventually a fully qualified stunt co-ordinator, Ray has successfully earned the respect of his peers in this industry.

Ray's knowledge stems from grassroots training over the years, that has cemented his place in a highly competitive field where he was selected to oversee the fight action design on the \$65million IFrankenstein feature and also train a lead actor on the mummy 3 for the jet li fight scenes.

At the height of his career, Ray now owns and operates his own Stunt Action consultants, assisting film and production companies organize and co ordinate the logistics of both staff and operations in production schedules.

There is no better accolade than the testament of time and the respect of your peers in this industry. Ray has achieved a working career that continues to grow through word of mouth and a trust that he is a seasoned professional in all things stunts.

Ray Anthony has an unmarred safety record for over 25 years as a safety supervisor –stunt co-ordinator- action director.

Ray has a fully set up stunt factory for prep production rehearsals –tests-discussions and stunt breakdown meetings.

## TESTIMONIALS

- Just wanted to say thanks to you and your whole team for guiding us through the driving and stunt work on Friday night without incident. We really appreciate your attention to detail and commitment to the safety of our crew and cast. More than that the positivity you bring to set is infectious and it's lovely to have you with us mate!

*Tess meyer ,producer / flying bark productions.*

- We were extremely impressed by the professional and creative service that Ray and the team provided in stunts and safety on our Nulon shoot. Ray was readily available with a variety of ways to achieve the shots we were after in a safe and practical way."

*Henry Richardson,producer / where there's smoke.*

- Ray is lovely to work with. I really admire the creativity, experience and professionalism he brings to the team.

*Serena hunt, producer 1<sup>st</sup> ad.*

- I always feel safe when Ray is around co-ordinating ; he allows me to concentrate on actually Producing the job; rather than looking after crew and cast who can have a lemming tendency at times"

*Jill munt, producer-red engine creative network seven*

- We've been working with Ray for years and always find him helpful and professional, and willing to do that little bit extra which makes a good job better."

*David Trethewey,sfx supervisor, DTFX*

- Ray has helped out on several shoots where complex stunt and safety requirements are coupled with equally complex creative ideas. Ray has given us the solutions we were looking for to achieve the highest crafted result in the safest environment possible.

*Natalie Loveridge, producer,red door productions*

- At KIIS 1065 Ray Anthony is our go to guy for anything stunt related. He is professional in every aspect of his work and has been great to work with on every occasion. We trust that any stunt we put to the Stunt Action Consultants will be co-ordinated flawlessly. I can't speak highly enough of Ray and his team and look forward to working with them in the future.

*Natalie Brabant, kiss fm 1065. producer, event producer.*

- "Ray is an absolute pleasure to work with! He's always going above and beyond, and is very understanding of tight production turn arounds."

*Olivia Hantken, producer, collider productions.*

-Whether the shoot is big or small and it involves stunt co-ordinating or safety co-ordinating then Ray Anthony and his team will be the first I call"

*Irene Georgas, producer, network seven*

- Ray and his team operated at the highest level of professionalism on set. I was impressed by his safe-work practices and dedication to the project as a stunt co-ordinator he is my first call.
